Health Savings Account - UMB Bank

www.hsa.umb.com

If you are enrolled in the Qualified High Deductible Health Plan, you are eligible for the Health Savings Account administered by UMB Bank. This is a savings account where you can either direct pre-tax payroll deductions or deposit money to be used to pay for current or future qualified medical expenses for you and/or your dependents. Once money goes into the account, it's yours to keep—the HSA is owned by you, just like a personal checking or savings account.

The contribution limits are \$3,500 for an individual and \$7,000 for a family. A covered plan member who is between the ages of 55 & 65, may be able to make "a catch-up" contribution of \$1,000 / year. Employees who select the HSA must establish their account through UMB Bank within 30 days of their election.

PLEASE NOTE: If you participate in the UMB Bank HSA, you will be charged a \$2.45 Monthly Administrative Fee.

Flexible Spending Account - ASI Flex

www.asiflex.com

Health Care Flexible Spending Account

This account enables you to pay medical, dental, vision, and prescription drug expenses for you and your dependents that may or may not be covered under your insurance program (or your spouse's) with pre-tax dollars. You can also pay for dependent health care, even if you choose single (vs. family) coverage. The total amount of your annual election is available to you up front, reducing the chance of having a large out-of-pocket expense early in the plan year. **The maximum amount you can set aside in this account is \$2,700. Remember you can carry over up to \$500 from the prior plan year to the next.**

Dependent Care Expense Account

This account gives you the opportunity to redirect a portion of your annual pay on a pre-tax basis to pay for dependent care expenses. An eligible dependent is any member of your household for whom you can claim expenses on your Federal Income Tax Form 2441, "Credit for Child and Dependent Care Expenses." Children must be under age 13. Care centers which qualify include dependent care centers, preschool educational institutions, and qualified individuals (as long as the caregiver is not a family member and reports income for tax purposes). **The maximum amount you can set aside in this account is \$5,000.**

PLEASE NOTE: If you participate in the ASI Flex FSA, you will be charged a \$3.00 Monthly Administrative Fee.

403(B) Retirement Plan

The Tax-Sheltered Annuity (TSA) Program is a supplemental retirement savings program authorized by section 403(b) of the Internal Revenue Code. Through the TSA Program you can invest a portion of your income for retirement on a pre-tax basis. Participation in the USD 409 TSA Plan is voluntary. You make the entire contribution; there is no employer match. Investment options include a wide array of mutual funds and fixed and variable annuities managed by six authorized investment companies.
